## Complex Ethical Dilemmas in the Healthcare Setting

Presented by: Jason Lesandrini, Executive Director of Medical and Organizational Ethics, WellStar Health System; Mica Whitfield, LMSW, Educational Coordinator, CEU Concepts

A unique and fun approach to ethics is in store with this full-day ethics event! One of our most popular speakers, Jason Lesandrini, Executive Director of Medical and Organizational Ethics with Wellstar Health System, will lend his unique approach to guide us through complex case scenarios in clinical, research, and organizational settings. In addition, Mica Whitfield, LMSW Educational Coordinator, with CEU Concepts will provide ethical commentary for Mr. Lesandrini's case scenarios. This CEU will allow us to evaluate our personal values to determine whether or not they're in conflict with our professional integrity. We will identify clinical ethics issues in the practice of healthcare, compare and contrast clinical, research, and organizational ethics issues. Finally, the presentation will engage the attendance through an interactive audience response system utilizing clicker technology. Attendees will leave with the tools to identify and problem solve complex ethics issues.

### Agenda:

- 7:45-8:30 Registration
- 8:30-9:00 Introduction to Ethical Standards, Values, and Framework to be discussed throughout the day
- 9:00-10:00 Clinical Ethical Issues
- 10:00-10:15 Break
- 10:15-10:45 Clinical Ethical Issues Continued
- 10:45-12:15 Organizational Ethics Issues
- 12:15-1:00 Lunch
- 1:00-2:00 Research Ethics Issues
- 2:00-2:15 Break
- 2:15-2:45 Research Ethics Issues

By attending our workshop, you will be able to:

1. Identify clinical ethics issues in practice of healthcare.
2. Compare and contrast clinical, research and organizational ethics issues.
3. Utilize an ethics decision making framework to address ethical issues within healthcare.
4. Identify 2 research ethics issues that impact healthcare delivery
5. Discuss the ethical values at play (including specifically 2 social work ethical values) for each case scenario presented
